**2:30 MATERIAL DELIVERY  
DELAYED UNTIL 4:00**

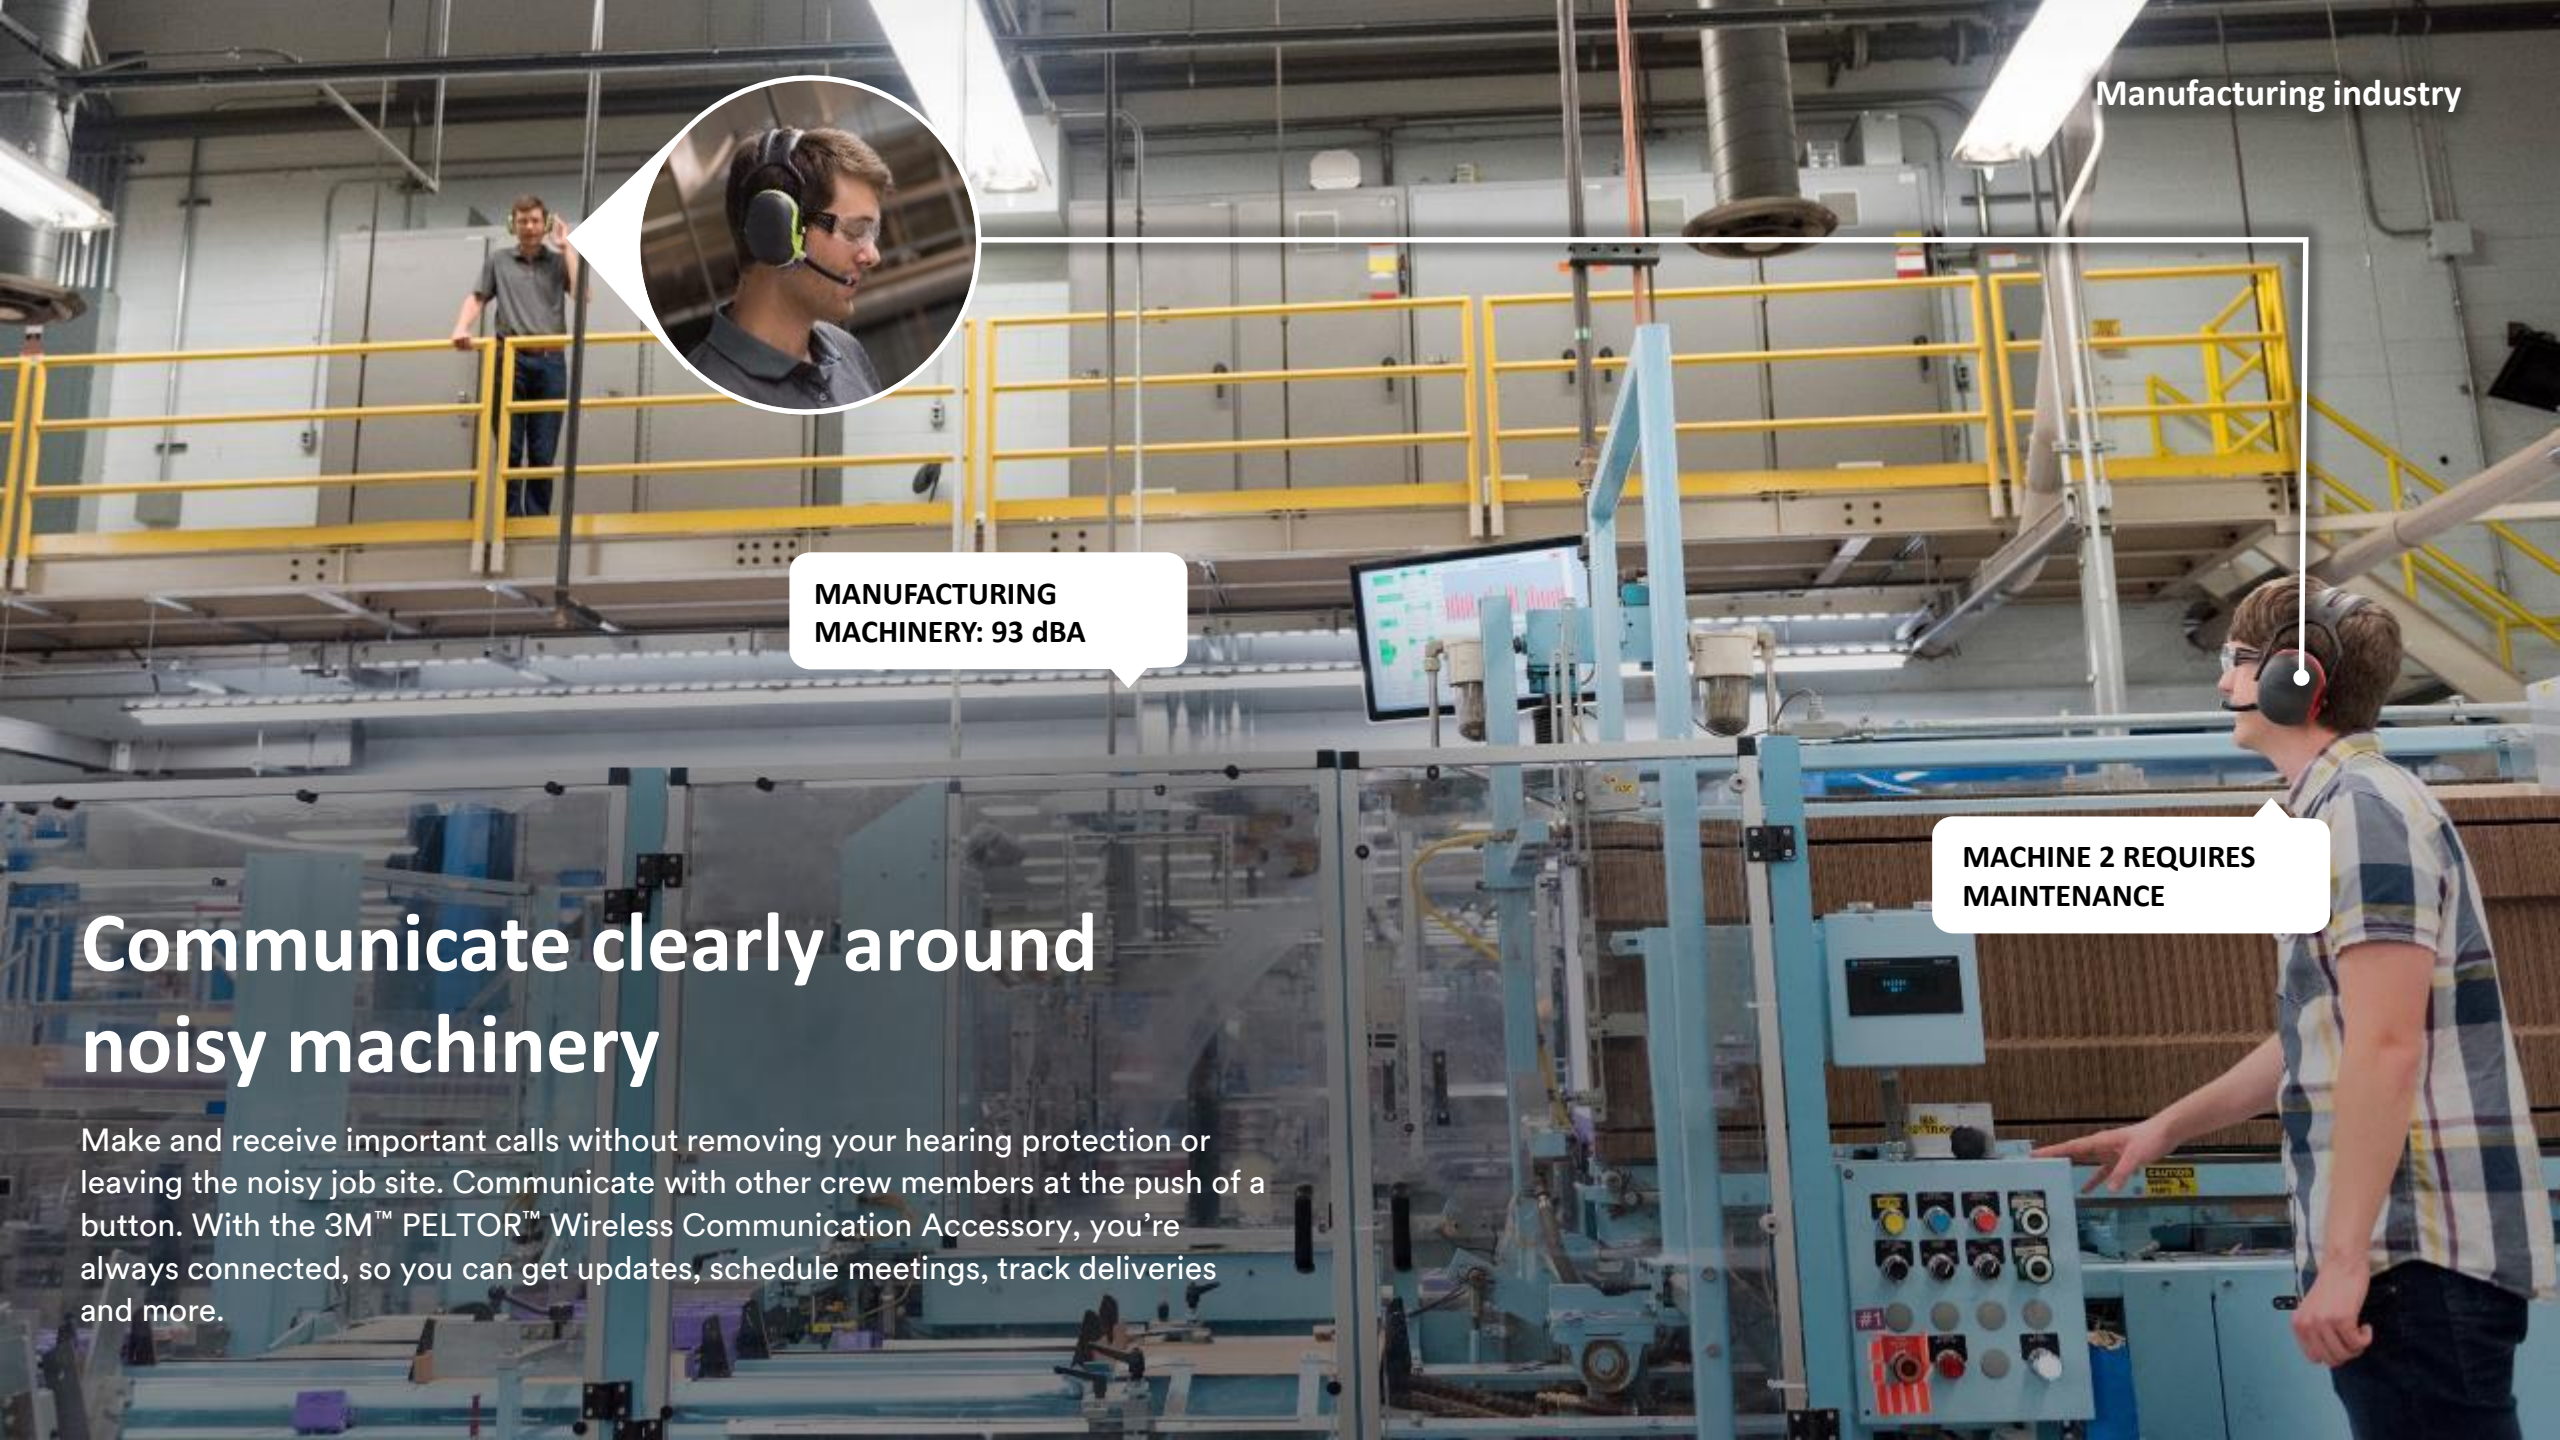

**MANUFACTURING  
MACHINERY: 93 dBA**

# Communicate clearly around noisy machinery

Make and receive important calls without removing your hearing protection or leaving the noisy job site. Communicate with other crew members at the push of a button. With the 3M™ PELTOR™ Wireless Communication Accessory, you're always connected, so you can get updates, schedule meetings, track deliveries and more.

**MACHINE 2 REQUIRES  
MAINTENANCE**

# Communicate clearly and provide safety for you and your team.

Make and receive important calls without removing your hearing protection or leaving the noisy job site. Communicate with other crew members at the push of a button. With the 3M™ PELTOR™ Wireless Communication Accessory, you're always connected, so you can coordinate with your team, arrange vendor arrivals, schedule appointments and more.

CHAINSAW: 110 dBA

WARNING:  
BRANCH IS UNSTABLE

Simply remove ear cushion  
and snap into place.\*

## Protected meets connected.

Make the smart choice and protect your hearing without sacrificing communication on the job site. With the 3M™ PELTOR™ Wireless Communication Accessory, you can keep working — and communicating — in loud settings. Featuring a noise-cancelling microphone, it instantly turns your 3M™ PELTOR™ X Series Earmuffs into a hands-free wireless communications device for use in noisy environments. That's hearing protection and communication without compromise — that's how X Series works smarter.

- ▶ *Bluetooth®* wireless technology
- ▶ Noise-cancelling microphone
- ▶ Assembles in seconds
- ▶ 8 hours talk/streaming time
- ▶ Resistant to harsh environmental elements (IP54)
- ▶ One-button operation
