

ENERPAC **UP**grade PROGRAM GENERAL PURPOSE CYLINDERS

Need to replace worn out
General Purpose RC-Series or
equivalent hydraulic cylinders?

UPgrade to the new RC-TRIO and
SAVE 30%

Off List Price.

Promotion valid from Feb 1 to April 29, 2022

95 (933)	50	RC1002	\$2,919
	168	RC1006	\$3,422
	260	RC10010	\$3,924

* For safety we recommend not to extend the cylinders past 80% of the stroke under load.

WITH THE 3RD GENERATION COMES A TRIO OF KEY FEATURES...

NEW TRIO BEARING SYSTEM

- Includes up to **4 high-performance wear bands** that offer increased resistance to damage, reducing bearing load and increasing cylinder lifespan.
- Hardened composite material wear bands increase bearing surface area for greater sideload resistance - Significantly improving cylinder life.
- New high-performance Polyethylene seals last longer than ever, improving lifespan and keep you working for longer.

NEW TRIO STOP RING

- Part of the Trio Bearing System, the Trio Stop Ring includes an additional wear band or high-strength bronze to absorb greater side load
- Capable of taking full cylinder extension force
- Features durable wiper to help prevent contamination from entering the cylinder during retract cycles.

NEW TRIO SPRING SYSTEM

- Hybrid pre-tensioned return springs for up to **3x faster retraction** and increased productivity. (Only available on 50, 75 and 100 ton models)
- High-strength steel wire improves spring life
- Spring retention design improves serviceability while allowing higher pre-load during assembly
- Spring is easily removed without special tools.

Conditions to enter the **UP**grade Program

- To enjoy the **UP**grade simply dispose of your old cylinder
- Contact your Distributor/Enerpac TM for approval
